

Je me forme pour mes bois | I'm training for my woods

The screenshot shows the homepage of the 'Je me forme pour mes bois' website. At the top right, there is a logo for CNPF (Centre National de la Propriété Forestière) with the text 'JE ME FORME POUR MES BOIS'. Below the logo is a button labeled 'Partager cette page' with social media icons. A navigation bar below the logo includes links for 'ACCUEIL', 'JE DÉBUTE !', 'POTENTIEL DE MA FORÊT', 'ENTRETIEN DE MA FORÊT', 'VENTE DU BOIS', 'MULTIFONCTION DE MA FORÊT', and 'DÉMARCHES ADMINISTRATIVES'. The main content area features several sections: 'PREMIÈRES QUESTIONS' with a list of essential questions; 'PORTRAITS DE PROPRIÉTAIRES' showing portraits of forest owners; 'SE FORMER, C'EST IMPORTANT' with a video thumbnail; and 'PROGRESSER' with information about advanced users. There are also small images of forest scenes and people working in the woods.

This site contains information and training resources to help forest owners get to know and maintain the forest better, to preserve and enhance the natural wealth of a wooded heritage, and to learn about the various administrative procedures involved in managing a forest.

The platform "Je me forme pour mes bois" was initiated by CNPF in association with Fransylva and the training program FOGEFOR. The aim is to provide online pedagogical content and a training offer (field workshops, day events, videos, etc) to the forest owners and forest teachers. The pedagogical content is divided by themes, in order to cover all the tasks that forest owners must go through: assess the forest production potential, protect it and manage it via cuttings and other forestry works, sell wood, develop new services in the forest, carry out administrative tasks. The content is also divided into three levels of difficulty, depending on the user's profile and experience with forest ("discover", "learn", and "take action"). The site also contains videos and forest owners interview videos, as well as additional resources (books, journals, etc) to go further on certain topics.
