

"RDP 2014-2020 Tuscany Region; Measure 1: Knowledge transfer and information actions. Sub-measure 1.1: Support for vocational training and skills acquisition actions "

Gespeichert von editor am Fr., 20/09/2019 - 13:20

The sub-measure aims to provide professional update activities and training for the operators involved in agriculture and forestry sectors and the young people who intend to establish themselves for the first time in enterprise. The objective of the sub-measure is to foster the acquisition of technical knowledge and the introduction of innovative processes through actions of both collective and individual nature. The interventions have different levels of elaboration (training - update) and specific contents properly calibrated according to the preparation of the participants. The operation aim also at developing thematic meetings or forums through the organization of workshops.
