

[illegible]

Republic of Croatia Government in collaboration with Ministry of Agriculture, developed online database of wood processing and furniture production in Croatia. Development of online database was first priority area of programming period 2017-2020 for Development Strategy of Wood Processing and Furniture Production Industry in the Republic of Croatia. Purpose of the database is to connect producers along the value chain as well as other key interdependent actors: economic and public sector, scientific community, end consumers as well as the general public.

DETAILS

ORIGIN OF WOOD
