INITIATIVE REGIOHOLZ

RegioHOLZ connects players of the wood and furniture industry targeting the entire value chain. The goal is to create synergies through exchange and cooperation. Furthermore, the network organizes dialogue forums and other events. The team offers expert knowledge and contacts for the entire forestry and wood industry. The cluster initiative involves around 20 companies from the wood value chain in the region.

Personal contact and trust is the key to improve regional networks successfully.

Regular meetings, events, workshops, joint trade fair appearances, networking, information and knowledge transfer, initiation of cooperation's and collaborative projects, initiatives in education and training
