Measure 16: Cooperation. Sub-measure 16.1 - Support for the establishment and operation of Operational Groups under the EIP for agricultural productivity and sustainability.

The sub-measure aims at implementing the EIP "Agricultural productivity and sustainability" (Pei-agri) whose added value is that it is a dynamic platform able to create bridge between science and practice through concrete projects and networking activities started by the Operational Groups (OG).

The sub-measure aims at supporting the establishment of Operational Groups as partnerships that involves many actors from different sectors to realise a project of innovation that aims at identifying one concrete solution for the enterprises, so that they can solve specific problems or take specific opportunities.
