

Altholz Gerstmayer

The business idea is to gather used timber from castles, monasteries or old estates. The timber is being cleaned and nails are pulled out; no drying before delivery

It seems that there is a growing (niche) market for really old used wood to use for modern housing and interior.

The product ranges from:

Old spruce timber (original surfaces)

Old spruce/oak timber (freshly chopped)

Old spruce timber (rough sawn surfaces)

Beams and rafters from old spruce /oak timber

3-layer-boards from old spruce/oak timber

Sawn old spruce/oak timber

House façades from old spruce timber
