

Altholz Gerstmayer

The business idea is to gather used timber from castles, monasteries or old estates. The timber is being cleaned and nails are pulled out; no drying before delivery

It seems that there is a growing (niche) market for really old used wood to use for modern housing and interieur.

The product ranges from:

- Old spruce timber (original surfaces)
- Old spruce/oak timber (freshly chopped)
- Old spruce timber (rough sawn surfaces)
- Beams and rafters from old spruce /oak timber
- 3-layer-boards from old spruce/oak timber
- Sawn old spruce/oak timber
- House façades from old spruce timber
