

# Holzbaukarte | Wood construction map Styria

Sehenswerte Holzbauten der Steiermark  
schnell und einfach finden!

*The main wood construction reference book for planners, builders and all other wood construction fans.*

The wood construction map makes it quick and easy to find noteworthy and award-winning wood buildings in Styria. The timber construction reference book offers a source of information for planners, builders and all others interested in timber construction. The buildings listed are selected from the participants of the Styrian Timber Construction Award and can be filtered according to different categories. This gives visitors an overview of some of the most beautiful timber buildings in the country.
