

Je me forme pour mes bois | I'm training for my woods

The screenshot shows the homepage of the 'Je me forme pour mes bois' website. At the top right, there's a logo for CNPF (Centre National de la Propriété Forestière) with the text 'JE ME FORME POUR MES BOIS'. Below the logo is a 'Partager cette page' button and social media sharing icons. A navigation bar at the top has links for 'ACCUEIL', 'JE DÉBUTE !', 'POTENTIEL DE MA FORÊT', 'ENTRETIEN DE MA FORÊT', 'VENTE DU BOIS', 'MULTIFONCTION DE MA FORÊT', and 'DÉMARCHES ADMINISTRATIVES'. The main content area features several sections: 'PREMIÈRES QUESTIONS' with a list of 10 questions about forest management; 'PORTRAITS DE PROPRIÉTAIRES' showing portraits of forest owners; 'SE FORMER, C'EST IMPORTANT' showing people in a forest setting; and 'PROGRESSER' with information about advanced users and training programs. Each section includes small images and descriptive text.

This site contains information and training resources to help forest owners get to know and maintain the forest better, to preserve and enhance the natural wealth of a wooded heritage, and to learn about the various administrative procedures involved in managing a forest.

The platform "Je me forme pour mes bois" was initiated by CNPF in association with Fransylva and the training program FOGEFOR. The aim is to provide online pedagogical content and a training offer (field workshops, day events, videos, etc) to the forest owners and forest teachers. The pedagogical content is divided by themes, in order to cover all the tasks that forest owners must go through: assess the forest production potential, protect it and manage it via cuttings and other forestry works, sell wood, develop new services in the forest, carry out administrative tasks. The content is also divided into three levels of difficulty, depending on the user's profile and experience with forest ("discover", "learn", and "take action"). The site also contains videos and forest owners interview videos, as well as additional resources (books, journals, etc) to go further on certain topics.
