

Support from the European Agricultural Fund for Rural Development (EAFRD) for the drawing up of forest management plans (2018)

Wysłane przez editor w pt., 20/09/2019 - 12:04

To call, on a competitive basis, for the granting of aid for the drawing up of forest management plans, as provided for in Article 24 of Regulation (EU) 1305/2013 of the European Parliament and of the Council of 17 December 2013, in accordance with the provisions of Article 4 of the Order of Regulatory Bases. The purpose of this aid is to increase the area with forest management planning, in which they establish preventive actions aimed at achieving a silvicultural and management state that reduces the damage caused by fires, natural disasters and catastrophes.
