Measure 16: Cooperation. Sub-measure 16.3 - Cooperation between small operators in organising joint work processes and sharing facilities and resources

The sub-measure is included within the Measure 16 as an action to support the development of cooperation between the subjects involved, in various capacities, in the organization of the regional agri-food and forestry system. In particular, the transaction aims at:

- sustaining the creation of new forms of commercial cooperation between small independent operators of the agriculture and forestry sector, with the aim of reaching economies of scale that can't be reached individually, to organise joint work processes and to share facilities and resources.
- Fostering the horizontal cooperation between entrepreneurs of the agri-food and forestry sector, with the aim of increasing and strengthen the competitiveness of the operators in their own sectors.
