

Internationalisation of SMEs businesses – Phase 2

Submetido por editor em Ter, 08/10/2019 - 16:37

Strengthening of international competitiveness of SMEs by facilitating introduction of their products/service to international business community abroad and introduction of products on new, international market as well as boosting the potential for business cooperation with international partners. Activities should increase the presence of Croatian economy on global markets and contribute to increase the SMEs share in the export of goods and services.
