

Funding guidelines in Bavaria: FORSTZUSR 2015, FORSTWEGR 2016 and WALDFÖPR 2018

The funding of forestry was further developed with following funding schemes FORSTZUSR 2015, FORSTWEGR 2016 and WALDFÖPR 2018

Forestry advisors from the Office for Food, Agriculture and Forests can help if questions occur and offer support for the application process. The Bavarian forest funding process is highly developed.

FORSTZUSR 2015: Guideline for funding project related actions of forestry associations:

Initiatives of the associations to improve professional information, trainings and the mobilization of their members or rather the recruiting of new members were included as new measurements in the funding catalogue

The funding of reliable approaches such as the comprehensive forest management contracts is being intensified

FORSTWEGR 2016: Guideline for funding for actions to access forests:

It is easier and cheaper to transport wood on forest roads which are capable of carrying heavy duty vehicles

Forest paths make it easier to supervise forests more regularly and to fight calamities such as forest fires or parasite infestations

WALDFÖPR 2018: Guideline for funding for financial contributions: Comprehensive Catalogue about silviculture and actions which can be funded with government funds
