

Bavarian School for Forest Farmers

Training and education center for private and corporate forests and all people interested in the forest

The WBS supports forestry associations in creating their structures and fulfilling their tasks

The WBS is the responsible authority, cross-company training facility and examination location for the apprenticeable profession forester

The WBS is an event location for institutions and federations. Falconers and hunters take their examination there

The WBS is certified for DIN EN ISO 9001 and 14001 as well as OHSAS 18001

All working processes and the content of the education is continuously being improved

An institution like the Bayerische Waldbauernschule is an essential asset to establish an innovative and learning culture in the area of forest owners and association. Furthermore it contributes to more safe and efficient forest operations for the whole area.

The environmental impact of all measures and the security standards suggested in the trainings are constantly being improved and environmentally friendly measures are conveyed to the attendees
